

ONE PLANE. ONE ROPE. ONE GREAT CITY.

Fasten your seatbelt and prepare for take off! Welcome aboard the 2nd Annual Plane Pull!

United Way of Calgary and Area and UPS are excited to announce the 2nd Annual Plane Pull on June 23, 2013. The inaugural event saw 22 teams raise over \$30,000 for United Way. This year, with room for 40 teams on board, Pulling for U 2013 will soar to new heights! Here is your chance to play tug-of-war against a 190,000lb Airbus A300.

June 23, 2013

10:00am - 3:00pm

UPS at Calgary International Airport
22 Aero Drive NE

How It Works: Each team will get one opportunity to pull the plane 50 feet across the tarmac in the shortest amount of time. The fastest three teams will participate in a pull-off. The team with the shortest combined time wins bragging rights and great prizes!

There is no registration fee, but each team must fundraise at least \$1,000 to participate. This counts towards your workplace campaign total.

Once your team is registered, your team and individual fundraising pages make it easy to approach your colleagues, friends and family to help you reach your goal. Tax receipts will be issued for all donations.

Prizes will be awarded to the three fastest teams; top team and individual fundraisers; and teams with the most spirit (costumes are encouraged!)

What Else? Whether you are pulling the plane or cheering from the sidelines, there are plenty of family-friendly activities to keep everyone entertained including a petting zoo, face painting, Wii tents, food trucks, and more!

Rules & Regulations: 15 people per team, minimum of four women required, must be 18 or older to participate.

No upfront registration fee, but each team must fundraise a minimum of \$1,000 to participate.

Sponsorship: Don't think you have the muscles to pull the plane but still want to contribute? Join us as an event sponsor! Contact Harley Shuster at Harley.shuster@calgaryunitedway.org for more information.
